INVIGOR CHOICE HYBRID WITH POD SHATTER REDUCTION AND CLUBROOT RESISTANCE.

The first-of-its-kind InVigor Choice canola hybrid features both the LibertyLink technology system and TruFlex[™] canola with Roundup Ready[®] Technology. As if that isn't enough, you'll also have the benefits of patented Pod Shatter Reduction technology and first generation clubroot resistance from InVigor. This hybrid is perfect for growers looking to combine high-yielding InVigor genetics with the flexibility of Liberty herbicide or Roundup[®] herbicide applications.

Visit InVigorResults.ca to see how this hybrid performed in your area.
